HOMEBUILDER SERVICES

PROFESSIONAL SERVICES CONTRACT

EDS # _____

This Contract (“this Contract”), entered into by and between the Indiana Department of Child Services (the “State” or “DCS”) and _____ (the “Contractor”), is executed pursuant to the terms and conditions set forth herein. In consideration of those mutual undertakings and covenants, the parties agree as follows:

1. Duties of Contractor.

A. Services Description:

HOMEBUILDERS® is an evidence-based program designed to strengthen families in order to prevent unnecessary out-of-home placement or return children from foster care, group care, psychiatric hospitals, or correctional institutions. Families served by this intensive, in-home, family therapy model have children in imminent risk of placement, or have children in placement who cannot be reunified without intensive services. The presenting problems may include child abuse, neglect, family conflict, juvenile delinquency, and child or parental developmental disabilities and/or mental health problems. Established in 1974 in Washington State, the HOMEBUILDERS® model has been implemented across the United States and internationally.

The underlying philosophy of HOMEBUILDERS® is that it is best to raise children in their own family. Out of home placement is traumatic for children, and does not teach families how to keep their children safe in the future. In addition to this basic philosophy, a set of clearly articulated values and beliefs guide how therapists treat family members and how interventions are structured. Primary among these are the beliefs that all people can change and that many problems are the result of skill deficits. The program minimizes barriers to service, uses specific strategies to enhance family member motivation and participation in treatment, and teaches skills designed to improve family functioning and change the environment to diminish stress.

B. Purpose and Target Population: The purpose of this Contract is for the Contractor to provide Homebuilder® Services (hereinafter referred to as “Homebuilder Services”). Families served by this intensive, in-home, family therapy model have children in imminent risk of placement, or have children in placement who cannot be reunified without intensive services.

In addition, services must be restricted to the following eligibility categories:

- 1) Children and families who have substantiated cases of abuse and/or neglect and will likely develop into an open case with IA or CHINS status.
- 2) Children and their families which have an Informal Adjustment (IA) or the children have the status of CHINS or JD/JS.
- 3) Children with the status of CHINS or JD/JS and their Foster/Kinship families with whom they are placed.
- 4) All adopted children and adoptive families.

C. In order to accomplish the above-referenced purpose, the Contractor will provide the Homebuilder Services set out in more detail herein and in accordance with the following (all of which are hereby incorporated by reference):

- 1) RFP. The Homebuilders Request for Proposal and all of its attachments (the “Homebuilders RFP”), which was issued by the State in September 2014;
- 2) SERVICE STANDARDS. The most current version of DCS’ service standards applicable to the services provided by the Contractor pursuant to this Contract (the “Service Standards”), as such Service Standards are modified/updated from time to time by DCS but always available in their most current form at the following link (or any designated successor website):

<http://www.in.gov/dcs/3157.htm>;

- 3) MODEL FIDELITY. The HOMEBUILDERS® model has a clearly defined site development process including a set of standards to guide program implementation and clinical practice, and an ongoing training and quality enhancement system to ensure model fidelity and continually improve service delivery. All HOMEBUILDERS® provider will be required to follow the HOMEBUILDERS® standards, and deliver and implement services according to the Homebuilder Standards, unless otherwise addressed in this standard. The HOMEBUILDERS® standards can be accessed at:

<http://www.in.gov/dcs/3157.htm>;

- 5) DCS’ Practice Model. Services must be provided according to the Indiana Practice Model. Providers will build trust-based relationships with families and partners by exhibiting empathy, professionalism, genuineness and respect. Providers will use the skills of engaging, teaming, assessing, planning and intervening to partner with families and the community to achieve better outcomes for children;

- 6) RFP RESPONSE. The Contractor’s Response to the Homebuilders RFP (the “Contractor’s RFP Response”), which was submitted by the Contractor in accordance with the specifications of the Homebuilders RFP; and

- 7) PROGRAM EXPECTATIONS.

(a) Contracted providers for the HOMEBUILDERS® services will adhere to the HOMEBUILDERS® standards and fidelity measures, unless otherwise addressed in this standard.

(b) Worker must be dedicated to intensive cases only; no mixed caseloads; only 2 cases at a time, but may have 1 or 3 for a short period of time. For example, when a reunification case is being added as a third case with low intensity services being provided during 15-30 days prior to the child coming home. Another example may be when a family is in the final stages of service and the high intensity of the service is no longer needed.

(c) Cost of providing services to the family includes training expenses of the provider. Therefore, contracted providers of Homebuilder® services must agree to participate in all required HOMEBUILDERS® trainings.

(d) The provider of HOMEBUILDERS® services will collaborate with the local DCS office to determine appropriateness of referrals.

(e) Contracted providers of HOMEBUILDERS® services will cooperate and participate in all on-site evaluations conducted by DCS or the Institute for Family Development.

(f) Contracted providers of HOMEBUILDERS® services will cooperate and participate in all quality assurance and/or QUEST activities as directed by the Institute for Family Development.

(g) For reunification cases, the child should be returned to the home within 30 days of referral. During this time period the provider should insure regular visitation is occurring between the parent and child in the home. The provider should also use this time to work with the parents to address issues regarding the child's return, for example the child's transition into school.

(h) Providers will utilize the CFTM when transitioning from intensive service provision. The worker should use the CFTM to assist in identifying additional service needs and in resolving issues that arise following the removal of intensive services. This should include helping to assess child safety and family functioning outside of the intensive service period.

(i) HOMEBUILDERS® Services will be delivered in teams consisting of 3-5 workers and one supervisor. Direct workers are full time and cannot have mixed caseloads.

(j) As set forth in the notification received from the State by this Contractor, this Contractor shall provide Homebuilder Services for Team(s) _____, which includes provision of services in Region(s) _____.

H. Appearances:

- 1) The Contractor agrees that the services provided under this Contract may require it to appear in court or appeals hearings, as well as in miscellaneous administrative hearings and/or require its participation in deposition(s) (hereinafter referred to as "Appearance(s)" or "Appear(s)"). Due to the nature of HOMEBUILDERS® services, the parties acknowledge that any such

Appearances may be long after the HOMEBUILDERS® service referral has closed. However, the Contractor's obligation to testify will survive both the closure of the referral for HOMEBUILDERS® services and the Contract. As part of these services, the Contractor shall:

- (a) Require Appearance(s) of its employees and subcontractors (the "Contractor's Staff") as required by DCS whether or not a subpoena is sent and, if related to or arising from the services rendered pursuant to this Contract;

Thus, the State will not pay the Contractor any separate or additional payments for any Appearances provided by the Contractor's Staff and this includes Appearances provided after a HOMEBUILDERS® service referral has closed and/or after the Contract has expired or been terminated.
- 3) The Contractor shall be required to have current releases for all DCS' clients for whom the Contractor's Staff provides services pursuant to this Contract. Initial releases shall be for a minimum term of four (4) years. If the Contractor is planning on filing a motion to quash or requesting any hearings relating to its testimony that must take place prior to a court/trial date, the Contractor must provide DCS with adequate advance notice of such motion and/or request for a hearing prior to such court/trial date. DCS shall determine, at its discretion, whether such advance notice is adequate in any given circumstance. Notice will be considered inadequate if it would require a delay in any fact finding or permanency hearing.
- 4) The Contractor agrees to be prepared for all Appearances. DCS will endeavor to schedule Appearances to accommodate the Contractor's Staff to the extent permissible by the court or otherwise.

I. The State shall monitor and review the Contractor's delivery of services during the term of this Contract. The procedure that the State uses for monitoring the Contractor may change during the term of this Contract, and the Contractor will be notified of any changes in procedure. The procedure that the State uses for monitoring the Contractor may include, but not be limited to, the following:

- 1) Review of invoices/claims submitted by the Contractor for payment, in relation to the team(s) for which the Contractor has been chosen by the State to provide Homebuilder Services referenced;

- 5) Information contained in the reports and evaluations relating to the Contractor's delivery of services under this Contract.

As requested by DCS, the Contractor shall submit periodic written reports to DCS (in the format requested by DCS) concerning the Contractor's service delivery and other issues pertinent to this Contract, as provided above herein, in the Homebuilders RFP, and/or as specified by DCS. If requested by DCS, the reports will be based only on documented information, which may include a contemporaneous written summary of information received verbally from a reporting source.

J. The Contractor must participate in any activities that are a part of the credentialing process with the Institute for Family Development, including, but not limited to, participation in any trainings, conference calls, on-site visits, and site developments.

K. As requested by DCS, the Contractor shall provide self-authenticated records to DCS.

L. The Contractor shall send its disaster plan to DCS within thirty (30) days of the commencement date of this Contract.

2. Consideration.

In accordance with and subject to the specifications set forth herein, in the Homebuilders RFP, and in Section 36 of this Contract, and solely for its provision of Homebuilder Services for the team(s) and region(s) for which the Contractor has been approved to provide services for as specified in the notification received from the State by the Contractor, the Contractor shall be paid the following:

A. Contracted providers of HOMEBUILDERS® services will be paid a monthly flat rate of \$9,000 per direct worker on the team. New hires and staff that resign will be paid a per diem for

the number of days on staff for the month at \$300/day. It is expected that in most circumstances, a direct worker will be able to serve 18 families each year of the contract. However, there are some cases, when this is not possible, due staffing turnover or other circumstances. For this reason any families served by supervisors will also count toward the teams target number of families to be served. Please note: New supervisors are required to carry a small caseload as part of their Homebuilder® training.

B. Families are considered fully served after 4 weeks with a minimum of 38 or more hours of direct face to face service.

C. When cases close prematurely a partial credit will be given for those families served.

- A family will be considered partially served at 0.75 for 3 full weeks (21 days) of service if the direct worker has met with the family at least 11-15 times with a minimum of 30 hours of face to face contact.
- A family will be considered partially served at 0.50 for 2 full weeks (14 days) of service if the direct worker has met with the family at least 6-10 times with a minimum of 20 hours of face to face contact.
- A family will be considered partially served at 0.25 for 1 full week (7 days) of service if the direct worker has met with the family at least 3-5 times with a minimum of 10 hours of face to face contact.

If the team does not serve the number of families indicated, the provider will reimburse the Department of Child Services:

- \$3,000/per un-served family
- \$2,250/per .75 un-served family
- \$1,500/ per .50 un-served family
- \$750/per .25 un-served family.

D. For reunification cases with a pre-reunification phase, service hour requirements detailed above will be evaluated in 2 distinct phases of the intervention.

1. In the pre-reunification phase, defined as the time period prior to the child's return home, and
2. in the intensive phase, defined as the time period following the date the child is returned home.

The hours will not be evaluated as a sum, but in reference to the phase the hours of service were provided. If a family meets the service hour requirements in both phases, this would count as 2 served cases.

E. The funding allocated per team includes all costs associated with the delivery of the Homebuilders® model service. This includes but is not limited to all supervision costs, emergency funds to meet the specific needs of the family, travel costs, interpreter services, court testimony and direct worker costs, and all administrative overhead.

for inspection by the State or its authorized designees. Copies shall be furnished at no cost to the State if requested.

5. Assignment; Successors; and Subcontracting.

A. The Contractor binds its successors and assignees to all the terms and conditions of this Contract. The Contractor shall not assign or subcontract the whole or any part of this Contract without the State's prior written consent. The Contractor may assign its right to receive payments to such third parties as the Contractor may desire without the prior written consent of the State, provided that the Contractor gives written notice (including evidence of such assignment) to the State thirty (30) days in advance of any payment so assigned. The assignment shall cover all unpaid amounts under this Contract and shall not be made to more than one party.

B. The Contractor shall monitor the performance of all subcontractors and shall remain responsible to the State for the performance of any subcontractor. The Contractor agrees to enter into written agreements with all subcontractors and to provide copies of all subcontracting agreements to the State upon request. The Contractor further agrees to notify the State of a breach of these provisions by a subcontractor and to discontinue any agreement with the specified subcontractor in the event of such a breach.

6. Assignment of Antitrust Claims. As part of the consideration for the award of this Contract, the Contractor assigns to the State all right, title and interest in and to any claims the Contractor now has, or may acquire, under state or federal antitrust laws relating to the products or services which are the subject of this Contract.

7. Audits.

A. Following the expiration of this Contract the Contractor shall arrange for a financial and compliance audit of funds provided by the State pursuant to this Contract. Such audit is to be conducted by an independent public or certified public accountant (or as applicable, the Indiana State Board of Accounts), and performed in accordance with Indiana State Board of Accounts publication entitled "Uniform Compliance Guidelines for Examination of Entities Receiving Financial Assistance from Governmental Sources," and applicable provisions of the Office of Management and Budget Circulars A-133 (Audits of States, Local Governments, and Non-Profit Organizations). The Contractor is responsible for ensuring that the audit and any management letters are completed and forwarded to the State in accordance with the terms of this Contract. The Contractor agrees to provide the Indiana State Board of Accounts and the State an original of all financial and compliance audits. The audit shall be an audit of the actual entity, or distinct portion thereof that is the Contractor, and not of a parent, member, or subsidiary corporation of the Contractor, except to the extent such an expanded audit may be determined by the Indiana State Board of Accounts or the State to be in the best interests of the State. The audit shall include a statement from the Auditor that the Auditor has reviewed this Contract and that the Contractor is not out of compliance with the financial aspects of this Contract.

- (1) The Contractor shall permit all examinations and shall generate and maintain all documentation necessary to comply with all relevant audit requirements.

B. In addition to an independent audit completed in accordance with paragraph A of this Section, the State may, in its discretion, conduct a separate audit(s) of funds provided pursuant to this Contract and/or any other necessary on-site monitoring reviews of the Contractor, for the purpose of: (i) outcome tracking (including, but not limited to, outcome tracking described in this Contract; (ii) quality review of the services provided by the Contractor pursuant to this Contract; and/or (iii) conducting any other requisite and/or desired program and/or service audits of the Contractor.

- 1) The Contractor shall, upon written demand by State, be required to repay to the State all sums paid by the State to the Contractor, for which adequate fiscal and/or service delivery documentation is not in existence for any time period audited. If an audit of the Contractor results in an audit exception, the State shall have the right to set off such amount against current or future allowable claims, demand cash repayment, or withhold payment of current claims in a like amount pending resolution between the parties of any disputed amount.
- 2) The Contractor agrees that the State has the right to make recommendations and findings in connection with any financial monitoring or audit of the Contractor's operations, and the Contractor agrees to comply with any corrective actions specified by the State, within the time limits established by the State.
- 3) The Contractor will provide to the State, upon request, a copy of any document or report prepared and maintained by the Contractor relative to costs incurred in providing the services described in Section 1 and this Contract.
- 4) The parties agree that any authorized employee or representative of the State, the state of Indiana or the United States (hereinafter referred to as "governmental agent") shall have the right to enter the premises of the Contractor or any subcontractor of the Contractor and inspect or audit any records or property agreements maintained by the Contractor or its subcontractors in connection with this Contract. The Contractor and its subcontractors shall make all books, records, and documents that relate to their activities under this Contract available for inspection, review, and audit when requested by a governmental agent. The Contractor shall ensure the cooperation of its employees, officers, board members, and subcontractors in any review, audit, or inspection conducted by a governmental agent.
- 5) Following any State monitoring visit to the Contractor, the State may provide a written report to the Contractor. The State's report may contain observations, evaluations, suggestions and/or specific directions for corrective action by the Contractor. In the event that specific corrective action is required, the Contractor will have sixty (60) days from the receipt of the directions to comply, unless a different time period for correction is specified by State. A failure of the Contractor to comply with the State's specific directions will be treated as a breach of this Contract. In the case of a dispute, the State and the Contractor will meet at their earliest convenience to resolve the issue in question.

8. Authority to Bind Contractor. The signatory for the Contractor represents that he/she has been duly authorized to execute this Contract on behalf of the Contractor and has obtained all

necessary or applicable approvals to make this Contract fully binding upon the Contractor when his/her signature is affixed, and accepted by the State.

9. Changes in Work. The Contractor shall not commence any additional work or change the scope of the work until authorized in writing by the State. The Contractor shall make no claim for additional compensation in the absence of a prior written approval and amendment executed by all signatories hereto. This Contract may only be amended, supplemented or modified by a written document executed in the same manner as this Contract.

10. Compliance with Laws.

A. The Contractor shall comply with all applicable federal, state, and local laws, rules, regulations, and ordinances, and all provisions required thereby to be included herein are hereby incorporated by reference. The enactment or modification of any applicable state or federal statute or the promulgation of rules or regulations thereunder after execution of this Contract shall be reviewed by the State and the Contractor to determine whether the provisions of this Contract require formal modification.

B. The Contractor and its agents shall abide by all ethical requirements that apply to persons who have a business relationship with the State as set forth in IC §4-2-6, *et seq.*, IC §4-2-7, *et seq.*, the regulations promulgated thereunder, and Executive Order 04-08, dated April 27, 2004. C. The Contractor certifies by entering into this Contract that neither it nor its principal(s) is presently in arrears in payment of taxes, permit fees or other statutory, regulatory or judicially required payments to the State of Indiana. The Contractor agrees that any payments currently due to the State of Indiana may be withheld from payments due to the Contractor. Additionally, further work or payments may be withheld, delayed, or denied and/or this Contract suspended until the Contractor is current in its payments and has submitted proof of such payment to the State.

D. The Contractor warrants that it has no current, pending or outstanding criminal, civil, or enforcement actions initiated by the State, and agrees that it will immediately notify the State of any such actions. During the term of such actions, the Contractor agrees that the State may delay, withhold, or deny work under any supplement, amendment, change order or other contractual device issued pursuant to this Contract.

E. If a valid dispute exists as to the Contractor's liability or guilt in any action initiated by the State or its agencies, and the State decides to delay, withhold, or deny work to the Contractor, the Contractor may request that it be allowed to continue, or receive work, without delay. The Contractor must submit, in writing, a request for review to the Indiana Department of Administration (IDOA) following the procedures for disputes outlined herein. A determination by IDOA shall be binding on the parties. Any payments that the State may delay, withhold, deny, or apply under this section shall not be subject to penalty or interest, except as permitted by IC §5-17-5.

F. The Contractor warrants that the Contractor and its subcontractors, if any, shall obtain and maintain all required permits, licenses, registrations, and approvals, and shall comply with all health, safety, and environmental statutes, rules, or regulations in the performance of work activities for the State. Failure to do so may be deemed a material breach of this Contract and grounds for immediate termination and denial of further work with the State.

G. The Contractor affirms that, if it is an entity described in IC Title 23, it is properly registered and owes no outstanding reports to the Indiana Secretary of State.

H. As required by IC §5-22-3-7:

The Contractor shall immediately notify the State if any subcontractor becomes debarred or suspended, and shall, at the State's request, take all steps required by the State to terminate its contractual relationship with the subcontractor for work to be performed under this Contract.

B. The Contractor agrees that, the existence of a dispute notwithstanding, it will continue without delay to carry out all of its responsibilities under this Contract that are not affected by the dispute. Within ten (10) working days of receipt by the Commissioner of a written request for appeal, the decision may be reconsidered. 41. Severability. The invalidity of any section, subsection, clause or provision of this Contract shall not affect the validity of the remaining sections, subsections, clauses or provisions of this Contract.

42. Substantial Performance. This Contract shall be deemed to be substantially performed only when fully performed according to its terms and conditions and any written amendments or supplements.

43. Taxes. The State is exempt from most state and local taxes and many federal taxes. The State will not be responsible for any taxes levied on the Contractor as a result of this Contract.

44. Termination for Convenience. This Contract may be terminated, in whole or in part, by the State, which shall include and is not limited to the Indiana Department of Administration and the State Budget Agency whenever, for any reason, the State determines that such termination is in its best interest. Termination of services shall be effected by delivery to the Contractor of a Termination Notice at least thirty (30) days prior to the termination effective date, specifying the

extent to which performance of services under such termination becomes effective. The Contractor shall be compensated for services properly rendered prior to the effective date of termination. The State will not be liable for services performed after the effective date of termination. The Contractor shall be compensated for services herein provided but in no case shall total payment made to the Contractor exceed the original contract price or shall any price increase be allowed on individual line items if canceled only in part prior to the original termination date. For the purposes of this paragraph, the parties stipulate and agree that the Indiana Department of Administration shall be deemed to be a party to this agreement with authority to terminate the same for convenience when such termination is determined by the Commissioner of IDOA to be in the best interests of the State.

45. Termination for Default and Termination or Suspension for Additional Reasons.

A. Termination for Default

- 1) With the provision of thirty (30) days notice to the Contractor, the State may terminate this Contract in whole or in part if the Contractor fails to:
 - (a) Correct or cure any breach of this Contract; the time to correct or cure the breach may be extended beyond thirty (30) days if the State determines progress is being made and the extension is agreed to by the parties;
 - (b) Deliver the supplies or perform the services within the time specified in this Contract or any extension;
 - (c) Make progress so as to endanger performance of this Contract; or
 - (d) Perform any of the other provisions of this Contract
- 2) If the State terminates this Contract in whole or in part, it may acquire, under the terms and in the manner the State considers appropriate, supplies or services similar to those terminated, and the Contractor will be liable to the State for any excess costs for those supplies or services. However, the Contractor shall continue the work not terminated.
- 3) The State shall pay the contract price for completed supplies delivered and services accepted. The Contractor and the State shall agree on the amount of payment for manufacturing materials delivered and accepted and for the protection and preservation of the property. Failure to agree will be a dispute under the Disputes clause of this Contract. The State may withhold from these amounts any sum the State determines to be necessary to protect the State against loss because of outstanding liens or claims of former lien holders.
- 4) The rights and remedies of the State in this clause are in addition to any other rights and remedies provided by law or equity or under this Contract.

- B. Termination for Endangering Life, Health, or Safety of Any Person.** If the State determines that any breach of this Contract by the Contractor endangers the life, health, or safety of any person, the State may terminate this Contract by orally notifying the Contractor of the termination, followed by the mailing of written notification thereof within three (3) business days. Termination pursuant to this paragraph shall become effective at the time of the oral notification.

- C. Termination for Certain Business Changes, Assignments, and Bankruptcy. The Contractor agrees that the State may terminate this Contract immediately if the Contractor (1) ceases doing business; (2) assigns, transfers or delegates any of its duties and responsibilities for performance of this Contract to any other person or entity without prior written approval of the State; (3) changes or reorganizes its business in a manner which substantially impairs the ability of the Contractor to perform the services described in this Contract and its exhibits/attachments; (4) attempts to assign, transfer, convey or encumber this Contract in any way except as expressly authorized pursuant to the conditions of this Contract; and/or (5) if an order for relief is entered upon a voluntary or involuntary petition by or against the Contractor under any provision of Title 11, United States Code, and the trustee or debtor-in-possession does not timely assume all obligations of this Contract to be performed by the Contractor, as provided in 11 U.S.C. § 365, or in the event of appointment of a receiver for the Contractor or execution of an assignment for the benefit of creditors of the Contractor. Any notice of termination pursuant to this paragraph shall be provided in writing to the Contractor.
- D. Termination for Change in Legal Status. The Contractor shall provide written notice to the State of any change in the Contractor's legal name or legal status including, but not limited to, a sale or dissolution of the Contractor's business sixty (60) days prior to such change . The State reserves the right to terminate this Contract should the Contractor's legal status change in any way. Termination pursuant to this paragraph shall be effective from the date of the change in the Contractor's legal status.
- E. Termination for Additional Reasons Stated in this Contract. This Contract is also subject to termination or suspension as stated in any other Section of this Contract, including, but not limited to, Section 2 (Consideration); Section 7 (Audits); Section 10 (Compliance with Laws); Section 15 (Default by State); Section 17 (Drug-Free Workplace Certification); Section 20 (Force Majeure); Section 21 (Funding Cancellation); Section 27 (Insurance); Section 29 (Licensing Standards); Section 32 (Nondiscrimination); Section 44 (Termination for Convenience); Section 50 (Reports and Records Concerning Services); Section 52 (Conflict of Interest); and Section 53 (Criminal and Background Checks).
- F. State Only Liable for Payment for Services Properly Provided Prior to Termination. If this Contract is terminated for any reason, the State shall only be liable for payment for services properly provided prior to the effective date of termination. The State shall not be liable for any costs incurred by the Contractor in reliance upon this Contract subsequent to the effective date of termination.

46. Travel. All expenses for travel (including transportation, mileage, per diem, and any other incidental expenses) of the Contractor or any of its employees, in relation to the provision or performance of any services described in this Contract, are included in the rates described herein. The State will not reimburse the Contractor separately for any travel expenses.

47. Indiana Veteran's Business Enterprise Compliance. Award of this Contract was based, in part, on the Indiana Veteran's Business Enterprise ("IVBE") participation plan. The following IVBE subcontractors will be participating in this Contract:

A copy of each subcontractor agreement shall be submitted to IDOA within thirty (30) days of the request. Failure to provide any subcontractor agreement may also be considered a material breach of this Contract. The Contractor must obtain approval from IDOA before changing the IVBE participation plan submitted in connection with this Contract.

The Contractor shall report payments made to IVBE subcontractors under this Contract on a monthly basis. Monthly reports shall be made using the online audit tool, commonly referred to as "Pay Audit." IVBE subcontractor payments shall also be reported to IDOA as reasonably requested and in a format to be determined by IDOA.

48. Waiver of Rights. No right conferred on either party under this Contract shall be deemed waived, and no breach of this Contract excused, unless such waiver is in writing and signed by the party claimed to have waived such right. Neither the State's review, approval or acceptance of, nor payment for, the services required under this Contract shall be construed to operate as a waiver of any rights under this Contract or of any cause of action arising out of the performance of this Contract, and the Contractor shall be and remain liable to the State in accordance with applicable law for all damages to the State caused by the Contractor's negligent performance of any of the services furnished under this Contract.

49. Work Standards. The Contractor shall execute its responsibilities by following and applying at all times the highest professional and technical guidelines and standards. If the State becomes dissatisfied with the work product of or the working relationship with those individuals assigned to work on this Contract, the State may request in writing the replacement of any or all such individuals, and the Contractor shall grant such request.

50. Reports and Records Concerning Services.

A. The Contractor shall prepare, maintain, and timely provide to the State, upon request, any statistical reports, program reports, other reports, or other information requested by the State relating to the services provided by the Contractor pursuant to this Contract in the format requested by the State, including, but not limited to, reports/information incident to monitoring or evaluating performance by the Contractor of the services specified in this Contract, and/or any statistical and program reports as are required by any laws, regulations, or policies of the United States or the state of Indiana that are applicable to the use of funds paid to the Contractor pursuant to this Contract.

- 1) In order to comply with the above provision, the Contractor may be required to submit written reports at least monthly (or even more frequently), with respect to services provided to a child or family referred to the Contractor for provision or delivery of services pursuant to this Contract or with respect to other issues pertinent to this Contract. These reports must contain all of the information requested by the State and must conform to the format and content of the reporting procedure specified by the State.

B. This Section 46 (including all of its subsections) applies to any services that the Contractor provides pursuant to this Contract, including all services to a particular child or family referred to the Contractor pursuant to this Contract, including services related to probation.

C. The Contractor shall cooperate with the State in any utilization review and shall, if requested, conduct or submit to any audit(s) requested by the State in addition to the audit following expiration or termination of this Contract required under Section 6 of this Contract.

D. Prompt compliance by the Contractor with a request by the State to submit program and financial documentation during the term of this Contract is critical to this Contract. A failure of the Contractor to comply with any such request could result in immediate suspension of payments hereunder or termination of this Contract by the State.

E. In the event the contents of any report is considered deficient by the State, the State will so notify the Contractor in writing, not later than thirty (30) days after receipt of the report. The notice will specify the nature of the deficiency and the corrective action or information needed. The Contractor shall submit to the State any revised or supplemental report within thirty (30) days after the date of the deficiency notice.

F. The Contractor shall maintain records as necessary or appropriate to document services provided pursuant to this Contract. Those records shall include, but not be limited to, documentation relating to, or the time and place of meeting with, persons served by the Contractor and the persons who attended those meetings and copies of any reports or other materials representing the work product of any services provided by the Contractor pursuant to this Contract

51. Delivery of Documents, Files, Data, Studies or Reports to the State Upon Termination or Expiration of this Contract.

Upon expiration or termination of this Contract, all documents, files, data, studies or reports prepared by the Contractor or any subcontractor pursuant to this Contract, and any supplies purchased by the Contractor or any subcontractor with funds received through this Contract, shall be delivered to the State. The State may require the transfer of records, documents, or supplies to its own offices or to a designated successor

52. Conflict of Interest.

A. Paragraphs B through E of this Section apply if the Contractor is an individual, a corporation that issues stock to individuals representing ownership shares of the corporation, a partnership, a limited liability company, or any other form of business organization or association the members or owners of which could receive a personal financial benefit or increase in personal net worth attributable to income or profits received by the organization (exclusive of compensation in the form of salary or wages paid for services rendered to the organization). This Section, other than Paragraph F, does not

apply if the Contractor is a nonprofit corporation, a school or university that is not organized or operated for the financial benefit or profit of individual owners, or an agency of a political subdivision or other governmental organization.

B. As used in this Section:

"Immediate family" means the spouse and the unemancipated children of an individual.

"Interested party" means:

- (1) The individual executing this Contract;
- (2) An individual who has an interest of three percent (3%) or more of the Contractor, if the Contractor is not an individual; or
- (3) Any member of the immediate family of an individual specified under subdivision 1 or 2.

"Department" means the Indiana Department of Administration.

"Commission" means the State Ethics Commission.

C. The Department may cancel this Contract without recourse by the Contractor if any interested party is an employee of the state of Indiana.

D. The Department will not exercise its right of cancellation under paragraph C above if the Contractor gives the Department an opinion by the Commission indicating that the existence of this Contract and the employment by the state of Indiana of the interested party does not violate any statute or rule relating to ethical conduct of state of Indiana employees. The Department may take action, including cancellation of this Contract, consistent with an opinion of the Commission obtained under this Section.

E. The Contractor has an affirmative obligation under this Contract to disclose to the Department when an interested party is or becomes an employee of the state of Indiana. The obligation under this Section extends only to those facts which the Contractor knows or reasonably could know.

F. The Contractor acknowledges and agrees that no employee, agent, representative, or subcontractor of the Contractor who may be in a position to participate in the decision-making process of the Contractor or its subcontractors may derive an inappropriate personal or financial interest or benefit from any activity funded through this Contract, either for himself or herself or for those with whom he or she has family or business ties.

53. Criminal and Background Checks.

A. This Section applies to all directors/chief executive officers, facility managers, licensing applicants and other heads of agencies, by whatever title, and each employee or volunteer (which includes interns) who has or will have electronic or physical access to children's records or direct contact with children on a regular and continuing basis or any contact when a child(ren) is/are alone or only with the Provider's staff in connection with performance of any services or activities pursuant to this Contract ("Covered Personnel"). To the extent applicable, the Contractor (referred to in this Section as Provider) shall conduct all criminal history and background checks required by law, this Contract, and the applicable DCS' policies, including those implemented by Administrative Letter. All required checks must be completed and all outstanding issues resolved *prior to* the Provider submitting this Contract for State signature. The checks will be conducted in the

same manner as required for licensed residential child caring institutions, with respect to IC 31-27-3-3, subsections (e)(1) and (f), and the Provider shall maintain records of information it gathers and receives on Covered Personnel checked pursuant to this Section. The applicable laws and DCS' policies and practices are updated periodically, and the Provider shall comply with those current as of the time the Provider executes this Contract, adds Covered Personnel, renews this Contract, or reaches the anniversary date of commencement of a multi-year agreement. Upon request, DCS will furnish the Provider with information on updates and any changes in policy or procedure. The current procedure requires the Provider to conduct the following checks:

- (1) For those with **direct contact** with children on a regular and continuing basis or any contact when a child(ren) is/are alone or only with the Provider's staff in connection with performance of any services or activities pursuant to this Contract:
 - (a) *Verify the identity* of all individuals subject to criminal and background checks by viewing a current government issued picture I.D;
 - (b) *Conduct Child Protection Services ("CPS") checks* for all states of residency in the past five (5) years (for Indiana, send DCS an Indiana Request for A Child Protection Services History Check; for other states, see DCS' website on child welfare policies and contractor policies for web links to CPS records);
 - (c) *Conduct National Sex Offender Registry checks* for all states of residency in the past five (5) years (see DCS' website for web links for national sex offender registry checks);
 - (d) *Conduct Local Law Enforcement checks with law enforcement agencies that would have responded to each residential address in the last five (5) years;*
 - (f) *Register and make appointment(s) for Fingerprint-Based National and State Checks through the State approved fingerprint vendor* [The Provider must confirm that their name is available as a valid provider to be printed for DCS purposes on the State approved fingerprint vendors website. If the Provider cannot locate their name as a valid provider under DCS on the registration/appointment website, no additional steps can be taken until the Provider contacts DCS at background.checkunit@dcs.in.gov for further instructions. Employee(s)/volunteer(s) should not be printed under a local DCS office or other Provider name.] *and follow through with obtaining fingerprints;* and
 - (g) *Review Results of Criminal and Background Checks and take appropriate action as listed in the DCS Child Welfare Policy 13.4, Evaluation of Background Checks for DCS Contractors.*

- (2) For those with **only** electronic or physical **access to children's records**:
- (a) *Verify the identity* of all individuals subject to criminal and background checks by viewing a current government issued picture I.D;
 - (b) *Conduct Child Protection Services (“CPS”) checks* for all states of residency in the past five (5) years (for Indiana, send DCS an Indiana Request for Child Protection Services History Check; for other states, see DCS' website on child welfare policies and contractor policies for web links to CPS records);
 - (c) *Conduct National Sex Offender Registry checks* for all states of residency in the past five (5) years (see DCS' website for web links for national sex offender registry checks); and
 - (d) *Review Results of Criminal and Background Checks* and take appropriate action as listed in the DCS Child Welfare Policy 13.4, Evaluation of Background Checks for DCS Contractors.

All directors/chief executive officers, facility managers, and licensing applicants, regardless of their level of contact with children, shall have background checks commensurate with the highest level of background checks required of any other Covered Personnel within their organization. If no other Covered Personnel require background checks and no exception is granted for an administrative contract, they shall have the checks described in this paragraph A(2).

- (3) For all Covered Personnel and Subcontractors:
- (a) The Provider shall require Covered Personnel and subcontractors for this Contract to immediately notify the Provider of any information about them that would have been revealed by the checks above including substantiation for child abuse or neglect or other similar complaints or charges and of any convictions or arrests. The Provider shall immediately relay such notice to DCS. The Provider shall further collect from each Covered Personnel an annual attestation regarding whether that individual has any history of such substantiation, arrest or conviction and shall include any previously unreported information to DCS in its annual Certification (such Certification is included in **Exhibit 1**, which is attached hereto and hereby incorporated by reference).
 - (b) The Provider shall ensure all subcontractors have the required background checks. Each subcontractor must contact the DCS Central Office Background Check Unit (“COBCU”) and have the subcontractor name added to the fingerprint registration site and COBCU databases as a separate entity. The subcontractor cannot register under the name of the Provider.
 - (c) Each subcontractor will be responsible for coordinating with COBCU to evaluate their results and resolve any outstanding issues. The subcontractor will be responsible for retaining their own background

check results in their own personnel files but shall provide the primary contractor with the Exhibit 1 – Certification of Completion of Required Criminal and Background Checks.

Except for A(3)(a) above, the required checks must be performed every four (4) years based on the anniversary of the individual Covered Personnel's initial checks.

- B. The Provider shall be responsible for assessing job responsibilities and categorizing Covered Personnel as subject to A(1), A(2), or as not-covered and for performing the appropriate checks. Any Covered Personnel who might serve as a substitute for a covered position, even in emergency circumstances, should undergo the checks required for that covered position.
- C. The Provider shall maintain a record of the results of each check conducted pursuant to this Section. The Provider shall, if requested by the State, provide a copy of that record to DCS or make the record available for inspection by an authorized representative of DCS.
- D. With respect to any current Covered Personnel, the Provider shall submit the form attached hereto as **Exhibit 1** (or a similar form as updated by DCS) at the time it submits this Contract to the State for signature or within thirty (30) days after the effective date of this Contract, whichever is earlier, and annually upon the anniversary of the effective date of the Contract. **Exhibit 1** will certify that the requirements under paragraph A of this Section have been completed. The Provider shall furnish any other documentation related to background checks as DCS requests. The Provider has an ongoing obligation to assess job responsibilities and to conduct appropriate checks for employees or volunteers who join the Provider after this Contract begins. Such staff may **not** provide any services that involve contact with children before the requisite checks have been completed and all outstanding issues resolved.
- E. In order to allow DCS to evaluate the results and to make determinations regarding qualifications, national fingerprint-based criminal history checks relating to Covered Personnel are required to be conducted through DCS' approved fingerprint vendor in accordance with the terms and conditions stated in IC 10-13-3-38.5, 39. The results of the national fingerprint-based criminal history checks will be returned to DCS as an authorized entity to receive the results. DCS will inform the Provider whether the report it receives concerning the subject of a check shows any record that would be grounds for denial of his/her ability to provide services and/or perform activities pursuant to this Contract. If any Covered Personnel receive a response of conditionally disqualified or disqualified, further follow up is required. If the result is disqualified, then the individual may be eligible for a waiver. The Provider should contact the DCS' background check unit to determine if the individual is eligible and to apply for the waiver. DCS will not release to the Provider any criminal history record information ("CHRI") contained in any report that it receives from the Federal Bureau of Investigation ("FBI") through the Indiana State Police ("ISP"). If the Provider requests a waiver of criminal history, DCS will inform the Provider of the decision on the waiver request.

- F. In the event a criminal history or background check required herein produces any record concerning the subject of a check that would be a ground for denial of his/her ability to provide services and/or perform activities pursuant to this Contract and the Provider chooses to retain such employee or volunteer, that decision may be considered a material breach of this Contract.
- G. The Provider will be responsible for payment of all fees required to be paid for conducting any check required under this Section, whether the check is conducted by the Provider or by DCS. Any fees paid by DCS on behalf of the Provider may be offset against any claim for payment submitted by the Provider under this Contract.
- H. Upon request, DCS will assist the Provider in clarifying the requirements of this Section.

54. Purchase and Disposal of Property.

- A. As used in this Contract, “equipment” means tangible, non-expendable, personal property having a useful life of more than one (1) year and having a unit acquisition cost of \$5,000.00 or more. The Contractor will not expend any funds provided by the State pursuant to this Contract for the purchase or maintenance of equipment.
- B. As used in this Contract, “supplies” includes all tangible personal property other than equipment that is purchased or acquired by the Contractor through expenditure of funds provided to the Contractor by the State pursuant to this Contract. If the Contractor has in its possession, upon expiration or termination of this Contract, unused supplies having a total aggregate fair market value exceeding \$5,000.00, the Contractor may retain those supplies for use in any continuation of the program or activities funded pursuant to this Contract that is supported by a federal funding source, or any other program or activity that is supported by a grant or contract from the State that is funded in whole or in part by a federal agency.
- C. If all or any portion of supplies having a total aggregate fair market value at expiration or termination of this Contract exceeding \$5,000.00 are not needed or used for a purpose described in paragraph B above, the Contractor may retain those supplies for other uses or sell them. In either case, the Contractor shall reimburse the State for its proportionate share of the value or sale proceeds of the supplies, in the amount determined in accordance with 45 CFR 74.34(g).
- D. If the total aggregate fair market value of supplies in the Contractor’s possession upon expiration or termination of this Contract is \$5,000.00 or less, the Contractor may retain or dispose of those supplies for its own use, without further obligation to account to the State for their disposition or proceeds thereof.
- E. The Contractor shall retain all records relating to the purchase and disposal of supplies during the term of this Contract and for a period of four (4) years from the date the Contractor submits any final financial status or final program report to the State, or one (1) year from the resolution of any outstanding administrative, program, or fiscal audit question, or legal action, whichever is later.

55. Eligibility and Appeals.

- A. The parties agree that the eligibility of any individuals who may be provided services pursuant to this Contract shall be determined in accordance with State service standards, DCS' policy, and federal eligibility criteria and operating procedures.
- B. The State and the Contractor agree to maintain procedures and records in accordance with state and federal policies and regulations and to promptly address complaints and appeals between the parties and those of applicants for and recipients of services. Both parties agree to cooperate with the processing of any complaint or appeal.

56. Fees. The Contractor and its subcontractors shall impose no fees upon the recipients of any services provided through this Contract except as explicitly authorized by the State.

57. Environmental Tobacco Smoke. The Contractor agrees to comply with all provisions of 20 U.S.C. § 6081 *et seq.*, and any regulations promulgated thereunder. In particular, the Contractor agrees that it will require that smoking be prohibited in any portion of an indoor facility, other than a private residence, regularly used for the provision of services to children under the age of eighteen (18), and that it will comply with all applicable requirements of the statute and regulations. The Contractor further agrees that it will require the language of this condition to be included in any subcontracts which contain provisions for services to children.

58. Lobbying Activities.

- A. Pursuant to 31 U.S.C. § 1352, and any regulations promulgated thereunder, the Contractor hereby assures and certifies, to the best of its knowledge and belief, that no federally appropriated funds have been paid, or will be paid, by or on behalf of the Contractor, to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress, in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan or cooperative agreement.
- B. If any funds other than federally appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with this Contract, the Contractor shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying". If the Contractor is required to submit Standard Form-LLL, the form and instructions for preparation of the form may be obtained from the State.
- C. The Contractor shall require that the language of this certification be included in any subcontracts and that all subcontractors shall certify and disclose accordingly.
- D. The foregoing certification is a material representation of fact upon which reliance was or will be placed when entering into this Contract and any transactions with the State.

Submission of this certification is a prerequisite for making or entering into any transaction as imposed by 31 U.S.C. § 1352. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000.00 and not more than \$100,000.00 for each such failure.

59. Religious or Political Activities.

- A. The State and the Contractor agree that services provided pursuant to this Contract shall be non-sectarian in nature and that religious activities shall not be included in any activities to be conducted hereunder. The Contractor agrees that, if it otherwise conducts religious activities as part of its organization, any inherently religious activities must be offered separately, in time or location, from the programs or services funded with direct federal financial assistance and participation must be voluntary for beneficiaries of the programs or services funded with such assistance.
- B. The Contractor certifies that any funding provided by the State pursuant to this Contract shall not be used to further any type of political or voter activity.

60. Buy American. The State and the Contractor agree that, to the greatest extent applicable, all equipment and products purchased with funds provided by the State pursuant to this Contract shall be American-made.
