	<b>Chapter 11: Older Youth Services</b>	<b>Effective Date: July 1, 2015</b>
	<b>Section 1: Older Youth Services (OYS)</b>	<b>Version: 5</b>

<b>STATEMENTS OF PURPOSE</b>
------------------------------

The Indiana Department of Child Services (DCS) will make Older Youth Services (OYS) available to eligible Child in Need of Services (CHINS) and Juvenile Delinquent/Juvenile Status (JD/JS) youth in eligible foster care placements<sup>1</sup> age 16 up to the day before the youth's 21<sup>st</sup> birthday and eligible former foster youth age 18 up to the day before the youth's 21<sup>st</sup> birthday. DCS will ensure that all CHINS and JD/JS youth receive OYS beginning at age 16. For youth placed in DCS licensed foster homes, relative homes, non-licensed court approved placements, on a Trial Home Visit (THV), or in a Collaborative Care (CC) placement, a referral should be made to an OYS provider. For youth placed in residential facilities, group homes, Licensed Child Placing Agency (LCPA) foster homes, or other similar placement, OYS are provided by the placement agency.

DCS will ensure that all CHINS and JD/JS youth age 14 and over who are in out-of-home placements receive a credit report from each of the three (3) Credit Reporting Agencies each year until the youth is discharged from care. The youth will receive assistance in interpreting and resolving any inaccuracies in the reports, if applicable.

**Note:** A [Transition Plan for Successful Adulthood \(SF 55166\)](#) should be developed for all youth starting at age 14. The youth and his or her child representatives should participate in the development of this plan. See separate policy, [11.06 Transition Plan for Successful Adulthood](#).

The full definition is available at <http://www.gpo.gov/fdsys/pkg/CFR-2002-title45-vol4/xml/CFR-2002-title45-vol4-sec1355-20.xml>.

1. Ensure eligibility is determined for all former eligible youth requesting Voluntary OYS; and
2. Create a Voluntary OYS referral for the appropriate OYS provider in a timely manner.

## **PRACTICE GUIDANCE**

### **Assessment Required**

All youth referred for services must complete the CLS Assessment at [www.lifeskills.casey.org](http://www.lifeskills.casey.org). The CLS is the only assessment tool approved for use for youth in Indiana. Resource material may be downloaded from [www.lifeskills.casey.org](http://www.lifeskills.casey.org) to meet all identified needs of youth being assessed.

### **Credit Reports**

A credit report is a record of a person's credit activities. It lists any credit card accounts or loans the person has, the balances, and how regularly payments are made, as well as, identifying information. Most children and youth do not have credit reports. If a credit report does exist for a person younger than age 18, it may be due to error, fraud, or identity theft. To protect the identity and future credit worthiness of the youth, there is a need to take action and correct the information.

The three (3) main Credit Reporting Agencies are: Experian, Equifax, and TransUnion. Each agency has procedures on how to access credit reports for minors and how to address disputes in the report.

### **Experian, Equifax, TransUnion**

To request a copy of the personal credit report:

1. Send proof of a court ordered document for each person who needs a credit report indicating that the youth is in out-of-home care and documentation for the agency to act in the capacity of the court order;
2. Send proof that the youth is a minor (i.e., copy of birth certificate) and include the youth's identification information, such as full name, current address, social security number, date of birth and addresses where the youth has lived within the past two (2) years; and
3. Complete and submit the [Annual Credit Report Request Form](#).

To dispute inaccurate information in the report:

1. Send proof of a court ordered document for each person who needs a credit report indicating that the youth is in out-of-home care and documentation for the agency to act in the capacity of the court order;
2. Send proof that the youth is a minor (i.e., copy of birth certificate) and include the youth's identification information, such as full name, current address, social security number, date of birth and addresses where the youth has lived within the past two (2) years; and
3. Indicate what accounts do not belong to the youth, and indicate the youth is a minor child.
