- Financial updates: spending on par with needs of region and nothing else to report at this time.
- Scan updates:  
62 families, 16 enrolled, 62 families at end of month  
Over spent on budget, that is a good thing, people know who we are  
56 referrals for the last month, 19 enrolled right away  
Total enrolled in contract period 186  
Enrolled contract period break down, Cass 50, Fulton 10, Wabash 16, Miami 22, Howard 88  
CP spending should be at 50% at 58%  
Program spending should be at 62% and at 58.33%  
County fund expenditures have contracts and will be spent during fiscal period
- Provider meeting held, for the next meeting we will ask members to bring someone with them, 2<sup>nd</sup> meeting, challenge is to come up with some plans that match the regional safety initiative. Looking at holding a safety-provider fair this year. Next meeting will be a technical assistance training on how to fill out the program sheets. Should have them completed by the next regional service council and will be able to provide those with awarded contracts after our next RSC meeting
- Regionally we are looking at building the capacity for a Prevention Summit in 2018 -DV, mental health awareness, suicide prevention and drugs and alcohol. Sub committees of the provider and DCS groups will be identified and assist. -Ongoing
- QSR review for each county in the region in April, report out in May to RSC
