HCBS Settings Rule & Influence

What is the HCBS Settings Rule?

- Home and Community Based Serivces (HCBS)
- Issued in 2014 by the federal Centers for Medicare and Medicaid Services
- Ensures that all HCBS settings are integrated in, and support full access to the greater community
- The opportunities and experiences offered to individuals using HCBS should be empowering

- Policy, practices and procedures
- Mindset and operations
- Individual Rights:
 - Privacy
 - Respect
 - Autonomy

- Person-centeredness
- Supports: Personal, Respite, Transportation, etc.,
- Honor and be responsive to:
 - Culture
 - Identities
 - Beliefs
- Reflective of population

- The HCBS settings rule challenges providers to think about their services in the following ways.
- Do/Are your services:
 - Reflective of your population?
 - Promote inclusive decision making?
 - Offer educational opportunities?
 - Foster dignity and respect?

Influence on Direct Care Staff

- Are your Direct Care Staff ready for the Settings rule?
 - Have they been trained?
 - Do they feel supported by leadership?
 - Are they ready to/prepared to advocate for the individuals they serve?
 - Do they understand their responsibility and know how to report concerns?

- National Alliance for Direct Support Professionals (NADSP)
- Division of Aging training opportunities
 - Part 1 Settings Rule 101 for Admin & Direct Support Professionals
 - Part 2 Community Integration
 - Part 3 Person Centered-Service Plans
