

If you have a question not answered below, contact the Division of Aging or the Bureau of Disabilities Services. The Aged and Disabled Waiver Waiting List does not apply to individuals currently receiving services through the Aged and Disabled Waiver.

.....

### ***Why is there a waiting list for the Aged and Disabled Waiver?***

The Aged and Disabled Waiver has a maximum capacity each year for individuals to receive services through the Aged and Disabled Waiver. This number is determined in the state’s Aged and Disabled Waiver application, which is approved by the Centers for Medicare and Medicaid Services. FSSA has reached the currently allowed limit and must implement a waiting list for individuals seeking to access services through the Aged and Disabled Waiver.

.....

### ***How long will I be on the Aged and Disabled Waiver waiting list?***

Several factors contribute to the length of time an individual may be on the waiting list, including, but not limited to, waiver capacity, date added to the waiting list and eligibility category. We do not know the current length of time someone may need to wait. Placement on the waiting list does not guarantee access to Aged and Disabled Waiver services.

.....

**How does this Aged and Disabled Waiver Waiting list work?**

When you contact your local AAA/ADRC, you will receive an initial assessment to determine whether you meet specific eligibility requirements for the Aged and Disabled Waiver. Indiana requires waiver participants to meet the same criteria as persons approved for admission to a nursing facility. This is known as Nursing Facility Level of Care. If you meet this requirement, you will be placed on the waiver waiting list.

**Can I receive other services while I am on the Aged and Disabled Waiver waiting list?**

Options counselors at the ADRC at your local AAA are available to assist you with exploring options for support and assistance.

**How can I confirm I'm on the Aged and Disabled Waiver waiting list?**

Contact your local AAA to confirm you are on the Aged and Disabled Waiver waiting list. To find your local AAA, visit the [Indiana Division of Aging website](http://www.in.gov/fssa/inconnectalliance) or call 800-713-9023, or visit [www.in.gov/fssa/inconnectalliance](http://www.in.gov/fssa/inconnectalliance).

**Is there anything I need to do to keep my spot on the Aged and Disabled Waiver waiting list?**

Please ensure your contact information stays up to date while on the waiting list.

**How will I know when I'm at the top of the Aged and Disabled Waiver waiting list?**

You will receive a letter in the mail inviting you to continue the process to access the Aged and Disabled Waiver services. Your care manager/options counselor will make three attempts to contact you before sending you a certified letter giving you a time frame to respond. It is important that you keep your care manager/options counselor informed of any changes in your address or contact information.

***When I am invited from the Aged and Disabled Waiver waiting list to continue the process to access the Aged and Disabled Waiver, how long do I have to respond to the Area Agency on Aging in order to proceed?***

You have 30 calendar days from the date of your invitation letter to respond to the AAA. The letter will be sent to the address on file. If you do not respond to the invitation letter, you will be removed from the waiting list.

***I am on the Money Follows the Person-Aged and Disabled program. Will I have to go on the Aged and Disabled Waiver waiting list when my time is up on MFP?***

We anticipate MFP-AD recipients will be able to seamlessly transition to the Aged and Disabled Waiver at the end of their eligibility for the MFP-AD program and should not be impacted by the waiting list.

***I am about to move. Does this impact my placement on the Aged and Disabled Waiver waiting list?***

As long as you still live in Indiana, this change will not impact your placement on the waiting list. However, it is your responsibility to keep your contact information up to date so you can be notified when you can move from the waiting list to receiving waiver services. Keep your contact information updated with your local AAA.

***I've decided I am no longer interested in receiving services on the Aged and Disabled Waiver. What do I need to do?***

Your local AAA/ADRC can help remove you from the waiting list. If you later decide you are again interested in pursuing these services, your position on the waiting list will reflect a new initial assessment date.
