Indiana launches *Build, Learn, Grow* initiative to help working families connect to early care and education

50,000 scholarships are available immediately in support of Hoosier workers and their children

INDIANAPOLIS – Today the Indiana Family and Social Services Administration announced the *Build, Learn, Grow* initiative, which is making 50,000 scholarships available to help connect Hoosier children from working families to high-quality early education and out-of-school-time programs. The scholarships will be funded by more than \$101 million provided to Indiana by the federal Coronavirus Response and Relief Supplemental Appropriations Act, or CRRSA.

Through the *Build, Learn, Grow* scholarship fund, Hoosier families working in essential industries with qualifying incomes can receive scholarships for each child age 12 and younger toward their early care and education, summer learning or out-of-school care. Scholarships run from May through October 2021 and will cover up to 80% of the early care and education program's tuition. Information is available at www.BuildLearnGrow.org.

“Access to high-quality early care and education is essential to Hoosier families and children,” said Jennifer Sullivan, M.D., M.P.H., FSSA secretary. “These scholarships will help connect hard-working Hoosier families and their children to programs that prepare them for success in school, help reverse learning loss and provide additional support to the families who kept us going during the pandemic.”

For families to qualify for *Build, Learn, Grow* scholarships, an adult in the household must work in an essential business (examples include health care, human services, retail, restaurant and food service, essential infrastructure, media, manufacturing and logistics, religious and charitable organizations and many others). Income guidelines are outlined [here](#). Families will qualify for The *Build, Learn, Grow* scholarship to cover 80% of their cost with incomes of up to 250% of the federal poverty level. Families with incomes between 251% and 400% of FPL will qualify for 60% of costs covered and those with incomes at 401% of FPL and above will qualify for 20% of costs covered. Families should complete the *Build, Learn, Grow* Scholarship Fund application found [here](#) and submit it to their early care and education provider. Families not currently connected to an early care and education program will be able to find a list of participating programs on the *Build, Learn, Grow* website also on the eligibility page. All providers who currently accept federal child care assistance are encouraged to enroll.

To administer the *Build, Learn, Grow* scholarship program, the Office of Early Childhood and Out-of-School Learning has partnered with Early Learning Indiana and Indiana Afterschool Network, the state's leading organizations supporting early care and education and out-of-school-time programs.

Early care and education and out-of-school-time programs interested in receiving children with *Build, Learn, Grow* scholarships can learn more at www.BuildLearnGrow.org.

###

About the Coronavirus Response and Relief Supplemental Appropriations Act

The CRRSA Act appropriated \$10 billion in supplemental child care funds, providing states, territories, and tribes participating in the federal Child Care Development Fund the opportunity and resources necessary to respond to the unprecedented challenges faced by children, families, and child care providers during the novel coronavirus (COVID-19) public health emergency. The law expands flexibility to provide child care assistance to families and children, supports child care providers, and provides lead agencies such as FSSA with additional funds to prevent, prepare for, and respond to COVID-19. CRRSA Act funds are supplemental discretionary CCDF funds. CCDF is the primary federal funding source for child care subsidies to help eligible working families with low incomes access child care and improve the supply and quality of child care for all children.

About the Office of Early Childhood and Out-of-School Learning

The Office of Early Childhood and Out-of-School Learning is a division of the Indiana Family and Social Services Administration. The office oversees early child care, education and out-of-school-time programs.

The vision of the Office of Early Childhood and Out-of-School Learning is that every Indiana community will have a strong network of Early Care and Education and Out-of-School Time programs that support the child, the family and local schools. Programs will be high quality, affordable and accessible to enable families to work effectively to obtain economic self-sufficiency. Children will thrive in programs that meet their developmental and educational needs and make them feel welcome, encouraged and supported. Professionals teaching and caring for children will have the resources, including training and education, needed to operate and maintain high quality programs.
