Additional information

The facility cannot relocate or make any other bed changes without the approval of ISDH. The bed inventory and floor plan submitted and approved by ISDH at the time of opening remains the facility's current bed configuration until the facility submits and ISDH approves a new configuration.

Each time a facility's license expires, regardless of the length of the license, a renewal application and licensure fee will need to be submitted to ISDH.

Information on the Survey Report System can be found on the Long Term Care website at <http://www.in.gov/isdh/23260.htm> .
