

# Indiana Department of Health Children and Hoosiers Immunization Registry Program – SMART AFIX

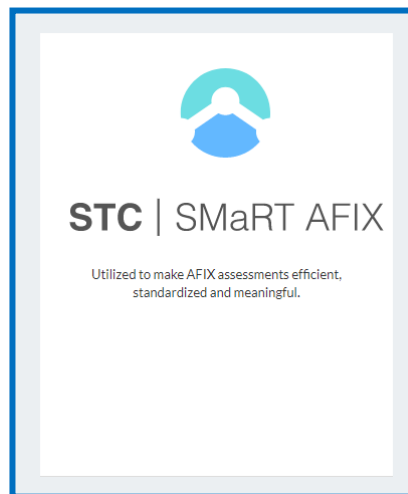

## Running Reports in SMART AFIX

---

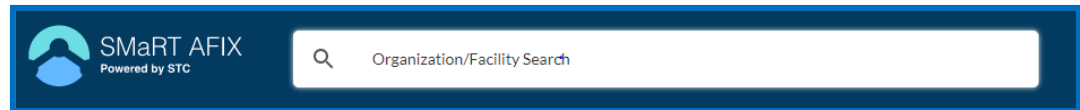

1. Login to CHIRP.
2. Click on the Dashboard button shown below.

3. Click on the STC U option shown below.

4. Make sure your organization is listed at the top. You can search for your office by typing in your VFC Pin.

5. You can then run the coverage rate report or run different patient lists for both Childhood and Adolescent.

6. For patient lists you must download the file to see the full list of patients
