

## Partner Benefits

*As a Partner,*

- your company will receive statewide recognition by IDEM and others for pollution prevention efforts;
- your pollution prevention projects may be promoted through IDEM publications;
- you can take advantage of networking opportunities with IDEM representatives and leading P2 advocates in Indiana industry;
- your company will receive a Partner Pledge Certificate from the Partners signed by the Commissioner of IDEM;
- you can use the Partners logo on environmental reports and other company literature; and,
- you will have the opportunity to participate in coordinated efforts to provide input related to pollution prevention integration during IDEM policy and regulatory initiatives.

## Current Partners

**The Partners for Pollution Prevention is a group of organizations including manufacturers, not for profits, institutions, and government agencies invested in promoting pollution prevention efforts in Indiana. Eligibility is contingent upon accepting the Partners Pledge.**

### **Our Vision**

Indiana becomes a place where people embrace pollution prevention as a means to live and prosper in a clean environment, while enjoying and preserving our natural resources forever.

### **Our Mission**

The Partners for Pollution Prevention champion pollution prevention and environmental stewardship programs in businesses and organizations by promoting successful practices and approaches to achieve measurable reduction of pollution in Indiana.

### **Partner Pledge**

*As a Partner, you pledge to:*

- ensure employees are aware of the commitment to pollution prevention and understand their role in implementing pollution prevention objectives and goals;
- incorporate pollution prevention planning in the development of new products, processes, and/or services;
- establish a mechanism to monitor waste generation and identify realistic pollution prevention goals;
- establish a process to listen and respond to stakeholder concerns;
- make available your general waste reduction and pollution prevention information to members of our community, IDEM, and the Partners, if requested;
- establish an outreach program for promoting and supporting pollution prevention efforts;
- participate in two or more Partners meetings annually;
- support the annual Pollution Prevention Conference and Trade Show; and
- submit an annual pollution prevention activity certification.
