The ISBVI & ISD Co-Location Campus project is a State of Indiana project to co-locate the Indiana School for the Blind and Visually Impaired and the Indiana School for the Deaf onto a single campus. Fourteen building structures, sports fields, forest, and trails will make up the campus program on the 67-acre property at 7725 N. College Avenue in Indianapolis. Pre-qualification and bidding efforts will be broken up into unique design releases to align with design document deliverables and construction needs.

Design Release 'B' includes the scope of work for stormwater protection, site demolition, earthwork, utilities, earth retention and major dewatering wells. Additionally, a retaining wall that is required early in the project and temporary asphalt are included with this design release.

The Indiana Department of Administration (IDOA) has XBE goals as follows: 7% MBE; 5% WBE, 3% IVOSB
