March 28th, 2024

Clegg Industries, Inc. is pleased to submit our proposal for the development of a custom EMS Simlab Trailer for IDHS. Clegg Industries, Inc. does not comply with the payment terms of paid in full at the completion of project. We are a small business that needs cash flow to complete the project. For this reason, we ask for milestone payments of 1/3 ARO / 1/3 at 50% completion / 1/3 after delivery of trailer. If these milestone payments can not be met, please consider us a “no bid”.

Please confirm receipt of our submittal.

During the past 55 years Clegg Industries Inc., an ISO 9001-2015 certified, Woman-Owned-Small-Business has specialized in the ground-up design, engineering and manufacturing of unique structures, custom-made vehicles and trailers for government agencies, the military and civilian industry. Our hallmark is meeting the strict MIL-SPEC, MIL-STD, FED-STD, ASME and SAE specifications and regulations required by each of our customers. High-tech equipment and innovative engineering skills enable Clegg Industries to transform any customer’s vision into a specialized design. Our emphasis on Baldrige-based performance improvement criteria enables us to transform an idea into a high-quality product at a competitive price.

### Compliance Certification

Clegg Industries, Inc. can and will comply with all provisions of the above noted email. We take no exceptions. Offer valid through 7/31/2024.
