

01 February 2022

Subject: RFP 69438 - Executive Summary

To Whom It May Concern:

OxBow Data Management Systems, LLC is pleased to submit a proposal in support of the Indiana Department of Health Breast and Cervical Cancer Program and Indiana WISEWOMAN for the Indiana Department of Health. With 29 years of experience managing CDC funded grants, OxBow manages data for 20 BCCP programs and 15 WISEWOMAN granted programs and was one of the first Data management systems developed specifically to support these programs. Med-IT® provides our customers the ease and intuitive data entry that will increase productivity and accuracy in all areas of their programs, including MDE preparation, grant fund management, billing and invoicing. Our customers regularly seek out our program expertise to identify processes within their program that can be improved within Med-IT or through small data collection changes or queries.

OxBow Data Management Systems, LLC is registered with the Indiana Secretary of State and said registration was effective on February 02, 2022.

OxBow Data Management Systems, LLC (FEIN - 27-0819235) is an LLC, with a Primary NAICS code of 518210. A State of Indiana bidder registration has been completed and 0000057191 is our Bidder ID.

If selected and if our product provides a specific fit to other opportunities within other Governmental Bodies for the State of Indiana, OxBow Data Management Systems, LLC agrees to extend the prices of awarded products and/or services to other governmental bodies.
