SUBJECT: Indiana Department of Mental Health Administration  
Request for Proposal 22-71736  
Assessment of Federal Culturally Linguistically Appropriate Services (CLAS) Standards in Indiana's  
Community Mental Health Center (CMHC) Workforce and Service Provision

Dear Ms. Johnson:

netlogx LLC is pleased to submit this letter of commitment to Health Management Associates (HMA) in response to the above-referenced RFP for the Indiana Department of Administration on behalf of The Family and Social Services Administration, Division of Mental Health and Addiction.

If HMA is selected for this work, netlogx is committed to supporting this project. netlogx will provide project management and logistics support for the duration of the project. Given the statewide scope of the project and engagement with 24 CMHCs, the State, and the Indiana Council, effective project management is critical. netlogx' Indiana presence, their understanding of the Indiana landscape, and their deep experience and PM skill will be of significant value. It is anticipated that netlogx will receive \$37,035 (5.04%) for doing this work. The netlogx team anticipates doing this work from execution of the contract, anticipated in September 2022, through the entire project schedule, estimated to end on or around December 31, 2024.

Wendy Maple will serve as the primary contact should the state have any additional questions.
