Re: RFP 23-74523

Dear Director McNulty:

This letter serves as confirmation of the intent of FTA Creative, LLC, to support the PATINS Project/BCSC on Request for Proposal (RFP) 23-74523 issued by the Indiana Department of Administration on behalf of the Indiana Department of Education. FTA Creative, LLC is in the active process, and eligible, to become a certified Indiana Women's Business Enterprise (WBE). Our application process has been affected by the online application portal being down. FTA Creative, LLC is an LLC based in Kentucky, with a Federal Tax ID of 92-2771976.

If PATINS/BCSC is the successful vendor, FTA Creative, LLC agrees to support the project by providing the following services:

1. Media
2. Refurbishing Tech

The aforementioned services shall be provided between July 1, 2023, and June 30, 2025. FTA Creative, LLC acknowledges that the anticipated value of the services provided to PATINS would be \$250,000 for the 2-year commitment, and we understand that this is a percentage of the total project budget that is approved, which could change in the final contract. Depending on the final negotiated contract price, it is expected that FTA Creative, LLC will receive an estimated total of \$250,000 under this 2-year subcontract. (Year 1 = \$125,000, Year 2 = \$125,000)

FTA Creative, LLC represents that it meets the Minority, Women's, or Veteran's business enterprise requirements set forth in the RFP and that all requested documentation has been provided. We authorize Indiana State University to include FTA Creative, LLC as a WBE/MBE/IVOSB subcontractor in its response to RFP 23-74523 and look forward to the opportunity to help PATINS serve Indiana's educators and students.

Best Regards,
