RE: SUBCONTRACTOR LETTER OF COMMITMENT (MWBE)

Dear Mrs. Cohn,

On behalf of PrintWorks, Inc., thank you for the opportunity to work with Parkdale Aftercare, LLC (d/b/a Indiana Professionals Recovery Program (IPRP)).

The purpose of this letter is to acknowledge that PrintWorks agrees to provide printing services to IPRP at a cost of at least \$2,000 per year for a minimum of two consecutive years (\$4,000 total over a twenty-four-month period) in connection with Indiana RFP 22-69833. Specific pricing for services performed will be based on market and supply-chain conditions at the time services are requested.

PrintWorks understands that the annual contract IPRP is bidding for is valued at approximately \$648,000. The \$4,000 of services provided by PrintWorks over the initial 24-month contract term represents .309% of the 24-month contract value ($\$4,000 / (\$648,000 \times 2) = .309\%$). Should IPRP not receive state approval for the contract, PrintWorks understands the services discussed herein will not be needed.

With over 25 years of experience in the industry, we are proud to offer a variety of printing services, including, but not limited to, booklets, brochures, carbonless forms, catalogs, labels, newsletters, medical forms, posters, programs, and stationery). For more information about our services and company, please visit our website at <http://www.printworksindy.com>.

Again, thank you for this opportunity and we look forward to working with the IPRP Team!

Sincerely,

Nancy Helton
Owner
