## Indiana Page Views

Tyler Indiana currently monitors Page Views across IN.gov's websites and applications through the Third-Party Portal Application, Google Analytics. The following reports show page views for the IN.gov Website and Online Applications. Combined it includes more than 1.3 billion page views across all websites and applications. While Tyler Indiana does not provide all applications tracked, it provides the tools and services necessary to track more than 600,000,000 page views annually as visualized below.

### Website Data for January 1, 2020 to December 31, 2020

Application Data for January 1, 2020 to December 31, 2020
