

Bulletin 53 Addendum

ADDENDUM TO BULLETIN NO. 53

June 27, 1986

Due to the National Association of Insurance Commissioner's having committed line 10 on page 14 of the P & C Convention Blank for another purpose, a different set of lines must now be used.

We ask that lines 1 and 2 under the heading of "Details of Write-Ins Aggregated on Line 31 for Other Lines of Business" be used.

Political Subdivisions will be entered on line 1, and liquor liability on line 2, with the total of the two lines entered on line 31. Other portions of the original Bulletin #53 will remain the same.
