Re: Project information concerning the Walter Piano Remediation Project using State Revolving Loan funds from the Indiana Finance Authority (DHPA #17664; WW 09302002)

Dear Ms. Henninger:

Pursuant to IC 13-18-21 and 327 IAC 14 and Section 106 of the National Historic Preservation Act (54 U.S.C. § 306108) and 36 C.F.R. Part 800, the Indiana State Historic Preservation Officer ("Indiana SHPO") is conducting an analysis of the materials received by the Indiana SHPO on May 8, 2015, for the above indicated project in Elkhart, Elkhart County, Indiana.

Based on our analysis, it has been determined that no historic properties will be altered, demolished, or removed by the proposed project.

If any prehistoric or historic archaeological artifacts or human remains are uncovered during construction, demolition, or earthmoving activities, state law (Indiana Code 14-21-1-27 and 29) requires that the discovery must be reported to the Department of Natural Resources within two (2) business days. In that event, please call (317) 232-1646. Be advised that adherence to Indiana Code 14-21-1-27 and 29 does not obviate the need to adhere to applicable federal statutes and regulations, including but not limited to 36 C.F.R. 800.

If you have any further questions regarding this determination, please contact the DHPA. Questions about archaeological issues should be directed to Cathy Draeger-Williams at (317) 234-3791 or [cdraeger-williams@dnr.IN.gov](mailto:cdraeger-williams@dnr.IN.gov). Questions about historic buildings or structures pertaining to this project should be directed to Ashley Thomas at (317) 234-7034 or [asthomas@dnr.IN.gov](mailto:asthomas@dnr.IN.gov). Additionally, in all future correspondence regarding the above indicated project, please refer to DHPA #17664.

Very truly yours,

Mitchell K. Zoll  
Deputy State Historic Preservation Officer  
Director, Division of Historic Preservation & Archaeology
