

## **NOTICE OF DESIGNATION**

The Indiana Finance Authority ("IFA") has issued a request for proposals on June 15, 2020 (the "RFP"), to design and construct the Sherman Minton Corridor Project (the "Project") pursuant to a public-private agreement ("PPA") under Indiana Code 8-15.5 (the "Act"). The Project is located in Floyd County, Indiana and Jefferson County, Kentucky, and consists of the extensive rehabilitation of the I-64 Sherman Minton Bridge which crosses over the Ohio River and additional bridges and approaches and local paving work in the immediate vicinity of the river crossing.

After following the procedures required under the Act, IFA has determined that Kokosing Construction Company, Inc. ("Selected Offeror") should be designated under the Act as the entity to enter into the PPA to design and build the Project thereunder. The Governor has accepted the determination of the IFA, has designated the Selected Offeror as the entity to enter into the PPA for the Project under the Act, and has approved the PPA.

With the exception of parts of the Selected Offer that are confidential under I.C. 5-14-3, the Selected Offer and the PPA are available on the internet website of the IFA at <https://www.in.gov/ifa/sherman-minton-corridor-project/> and are available for public inspection and copying at One North Capitol Avenue, Suite 900, Indianapolis, Indiana 46204 (telephone: 317-233-4332), the principal office of the IFA during regular business hours.
