Re: FY2016-2019 Indiana STIP Amendment 16-13, Transit Amendment 3 dated March 14, 2016

Dear Mr. Nunnally:

We have reviewed the State Transportation Improvement Program (STIP) amendment request you submitted via correspondence dated March 14, 2016. This request adds projects pursuant to changes made to the Transportation Improvement Program (TIP) for:

- Indianapolis Metropolitan Planning Organization (IMPO).
- Bloomington/Monroe County Metropolitan Planning Organization (BMCMPPO),
- Michiana Area Council of Governments (MACOG), and the
- Northwestern Indiana Regional Planning Commission (NIRPC).

The amended TIP has been endorsed by the appropriate Metropolitan Planning Organizations (MPOs). The projects listed in the attached table are eligible for FTA funding.

We have determined that the amendment to the TIP and STIP are financially constrained and consistent with the relevant MPO and statewide transportation plans. The projects were developed in accordance with the requirements of 23 CFR 450, and are exempt from the air quality conformity determination process. The project additions are approved for the FY2016-2019 STIP.

If you have any questions concerning this STIP amendment approval, please contact Susan Orona at (312) 353-3888. Thank you.

Sincerely,

Jay Ciavarella
Director, Office of Planning & Program Development
