FHWA Indiana Division

Dear Ms. Newland:

The Indiana Department of Transportation requests the projects listed in 2016-2019 STIP Amendment 16-20 be incorporated into the 2016-2019 Statewide Transportation Improvement Program (STIP).

The required Metropolitan Planning Organization (MPO) Transportation Improvement Program (TIP) documents have been included in this request and duly noted in the Amendment. We have determined that the proposed amendments are: 1) consistent with the transportation plan; 2) the TIP remains fiscally constrained in that federal funding resources are sufficient to support the new or modified projects; and 3) conform to state and national air quality standards.

INDOT STIP website is: <http://www.in.gov/indot/STIP> and the draft Amendment 16-20 was posted and no comments were given.

We request your review and approval of the subject amendment. Should you have any questions pertaining to this amendment, please contact Michael McNeil, STIP Specialist at (317) 232-0223 or at mmcneil@indot.in.gov.

Sincerely,
