Member Enrollment File Layout

The Employer Reporting and Maintenance (ERM) application allows employers to enroll new members electronically. Employers will be able to either 1) generate a bulk upload file (using the Member Enrollment File format outlined in this document), or 2) log into the ERM and enroll the member(s) individually online.

If choosing to enter the member enrollment information individually, employers are not required to generate a bulk upload file. The data required for online entry is the same as what is required for the bulk upload. This specification provides information for reporting member enrollment using the bulk upload method:

- Important Definitions and Reporting Rules
- File Formatting and Structural Rules
- Member Enrollment File Layout Field Details
 - File Header Record
 - Detail Member Enrollment Records
- **NOTE:** In other documents the various funds, systems, and plans may be abbreviated as follows:
 - 1977 Fund, 77 Fund, PF77 – 1977 Police Officers' and Firefighters' Pension and Disability Fund
 - CE, C&E, CAEP, EG&C - Excise, Gaming, and Conservation Officers' Retirement Plan
 - JU, JRS, JUDG – Judges' Retirement System
 - PA, PARF – Prosecuting Attorneys' Retirement Fund
 - LE, LE DC, LE DB, LRS – Legislators' Retirement System (Defined Contribution or Defined Benefit)

No matter how they are abbreviated, the abbreviations refer to these named funds, systems, and plans and often are referred to as “fund”, “plan”, or “system”.

Important Abbreviations and Reporting Rules

Term	Reporting Rules
Employer and Submission Units	<p>An Employer in ERM will be the overarching sponsoring organization that participates in one or more of the funds (PERF, TRF, '77 Police/Fire, Judges', CE, and PA). Each Employer must have at least one Submission Unit to which it is associated. A Submission Unit is the reporting group/entity and is associated with a single fund. Each Submission Unit has its own unique account number assigned (the same as the current Employer ID used on the quarterly report). Employers are required to submit a separate report for each Submission Unit they administer. Employers that only have one group of employees participating in only one fund have only one Submission Unit.</p> <p>Examples of Employers with multiple Submission Units:</p> <p>EXAMPLE 1: Employer: Elms County</p> <ul style="list-style-type: none"> • Submission Unit #1: Elms County <ul style="list-style-type: none"> ○ Submission Unit No.: 1234-000 (public employees participating in PERF) • Submission Unit #2: Elms Police <ul style="list-style-type: none"> ○ Submission Unit No.: 7789-100 (police officers participating in '77 Police and Fire fund) • Submission Unit #3: Elms Fire Depart. <ul style="list-style-type: none"> ○ Submission Unit No.: 7789-200 (fire fighters participating in '77 Police and Fire fund) <p>EXAMPLE 2: Employer: Monumental School Corporation</p> <ul style="list-style-type: none"> • Submission Unit #1: Monumental School Corporation Teachers <ul style="list-style-type: none"> ○ Submission Unit No.: 0024-120 (teachers participating in TRF) • Submission Unit #2: Monumental School Corporation Employees <ul style="list-style-type: none"> ○ Submission Unit No.: 1357-000 (public employees participating in PERF)

- The Member Enrollment File specification applies to the following funds/systems:
 - PERF – Public Employees’ Retirement Fund (Hybrid and My Choice)
 - TRF – Teachers’ Retirement Fund (Hybrid and My Choice)
 - 77 – 1977 Police Officers’ and Firefighters’ Pension and Disability Fund
- A member’s hire date corresponds to the date the member started in a position covered by the respective retirement plan (i.e., retirement service start date). If a member served in a non-covered position and moved into a covered position, the date the member started in the covered position should be entered as the hire date for retirement plan purposes.
- An email address must be provided for all full time TRF members (Hybrid and My Choice), and is recommended for all other members. This email is used to provide the member with important information about the retirement plan and benefits.

File Formatting and Structural Rules

- Enrollment records are read sequentially. The Header record must be first, followed by the Detail Member Enrollment record(s).
- Valid file format for the upload file is a pipe delimited (|) text file (.txt extension). Each field ends with a pipe (|), even if the field has no data to report.
- Records with invalid data (text in numeric field, invalid characters, etc.) result in structural errors immediately upon upload.
- Fields listed as **Optional** are not required for processing.
- A field listed as **Conditional** is only required if the **Optional** field it is associated with is included.
- If **Optional** fields do not have data to report, insert a pipe (|) to indicate the end of the field.
- Some fields are not applicable for all funds (see the **Rules and Information** column for each field). Insert a pipe (|) to indicate the field has no data to report.

File Layout Field Details

File Header Record

The header record is a summary of the detail member enrollment records being reported. The header record includes the Submission Unit Number and the number of records included in the detail member enrollment records. Insert a pipe (|) at end of each field.
