PURPOSE

To promote the direct involvement of state employees in public services in their communities through volunteer efforts.

SCOPE

This policy applies to employees subject to the jurisdiction of Indiana State Personnel Department or employed by the Indiana State Police, except those employees appointed on a temporary, intermittent, or hourly basis.

POLICY STATEMENT

Each full time or part-time state employee will be allowed leave with pay from the employee's regular assigned duties to voluntarily participate in activities that benefit another Governmental Entity or a charitable organization that is exempt from federal income taxation under Section 501(c)(3) of the Internal Revenue Code. Community Service Leave time is not to exceed a combined total of fifteen (15) hours for full-time employees and seven and one-half (7.5) hours for part-time employees each calendar year. Voluntary activities must not promote religion or attempt to influence legislation, governmental policy, or elections to public office.

Once annually, agencies may organize and participate in an agency-sponsored volunteer event that benefits another Governmental Entity or a charitable organization that is exempt from federal income taxation under Section 501(c)(3) that complies with IC 35-44.1-1-3. Employee participation at any such event must be voluntary and shall not exceed 7.5 hours of state-paid time. Time spent volunteering at an agency-sponsored event will count toward an employee's use of community service leave time described above.

DEFINITIONS

§501(c)(3): section of the Internal Revenue Code that identifies certain charitable entities as exempt from federal income taxes.

Governmental Entity: an agency, department, division of a federal, state or local government or a separate body corporate and politic. Public schools, including charter schools established pursuant to IC 20-24, are governmental entities.

- Taking appropriate actions, including discipline, when an employee fails to abide by the requirements of this and related attendance and leave policies.

Agency Heads or their designees are responsible for:

- Clearly designating in advance any events for which the participation of agency employees is voluntary rather than assigned as part of their official duties; and
- Organizing an agency-sponsored day of service, once per year, if they choose to do so.
